FINEST SMART MOBILITY WORKSHOP (TALLINN 17.01)

On behalf of the Finest Smart Mobility (FESM) consortium (Cities of Helsinki, Tallinn and Vantaa, Forum Virium, Estonian Road Administration and ITL Digital Lab), we would like to invite you to the FESM innovation pilots workshop. This workshop will provide hands-on-tools on how to initiate and conduct cross-border smart mobility pilots.

Venue: Tallinn City Archives (Tolli 4, Tallinn)

Time: 17.01.2018 at 10.00 – 14.00

Please register here before 7.01.2019: <https://goo.gl/forms/S0W9FNhgDfIKjQhs2>

Agenda:

10.00-10.30 Coffee and registration

10.30-10.45 The introduction to the challenge of innovation procurements

Suvi Hänninen (City of Helsinki), Liivar Luts (City of Tallinn) and Ralf-Martin Soe (ITL Digital Lab)

10.45-11.45 The FESM case how to initiate and manage smart mobility innovation pilots

Kalle Toivonen, Senior Specialist at the Helsinki City Executive Office

11.45-12.00 Introduction of the Goswift pilot (Just-in-time queuing system for truck drivers and fleet operators)

12.00-12.30 The case of Forum Virium large-scale innovation procurements (Select4Cities, Fabulos)

Renske Martijnse-Hartikka, Forum Virium Helsinki (City of Helsinki owned innovation company)

12.30-13.15 The FESM piloting companies introduce their cross-border solutions

- **Infotripla:** Predictive traffic management
- **Fleetrage:** Real-time ferry position and arrival info
- **Kyyti:** Shared taxi to Helsinki Airport

13.15-14.00 networking lunch

For some stakeholders, this event will continue at 14.00-16.00 at City Archives with:

- FESM partners and exploitation meeting (for FESM project partners and companies) or
- ITS companies meeting with Transport Department (for ITS network members, in Estonian)
